I would like to welcome back our existing students and families and a warm welcome to our new enrolments.

We have had some staff changes. Harry has transferred to a new school and we wish him a successful future. Kim is now working three days a week and Susi will be covering her other two days. We welcome Fiona, who is also working three days per week. Sarah, our music teacher is now working on Tuesdays. Chris B will be joining our staff on Fridays.

We have employed 'Dance Fever' for Term 1. They are teaching the boys how to 'Hip Pop' on Friday afternoons. The boys will be invited to participate in a Dance Off with other schools in their program in March.

We are planning a new reward system with the points the boys achieve for attaining their goals for the day.

Gift vouchers, football merchandise and prizes will be available. The boys can accrue up to \$50 worth of vouchers.

Cheryl

Several boys are now wearing the Karningul School shirt each day. The shirt was chosen by the boys.

The Footy Tipping Competition is about to commence. All students are invited to play. On Wednesdays, the boys will paint their Footy Murals.  
Deb

This year our Multilit program will continue. In 2012 the boys showed significant improvement in Reading as a result of this intervention.

Cherie

## Assistant Principal's message

Exciting times are ahead for all members of the Karningul community. Many of our year 7 students are attending High School on a full time basis. Cheryl, Kim, Susi and I are planning visits to support them in their mainstream school to help them to transition successfully. All Staff will be engaging in high quality professional learning throughout the year with both literacy and numeracy with the students making significant progress in all

areas of their education. The web address below allows you to access a fantastic resource for parents. It gives you practical help in supporting your child at school and home, a partnership that is vital to the ongoing development of your child. Such practical things as how to secure Facebook information and combat cyber bullying.

All students are about to embark on the "Steps to success indigenous program"

which will start with each student painting a "Fair dinkum" didgeridoo they will take home on completion. We have an Aboriginal elder that will supervise the design and painting so that each and everyone is authentic and has a true meaning.
