As Term 3 draws to a close, it is time to reflect on the past 10 weeks. We have had another busy term! The excursions to the pool, the city and the PCYC each week have been very popular.

We will continue to go to the PCYC on Thursday mornings. Cisco, the constable from the centre, is planning some great activities for the students next term, including bowling and rock climbing.

Our cooked breakfast on Friday continues to be very popular and Danny, the school liaison police officer continues to join in when he can. Both of these activities allow the students to build positive relationships with the police.

The additional basketball hoop and extension of the rear fence has improved the skills of the students as they are now playing team sport each day during the breaks and for morning fitness. Team sport promotes following rules and turn taking, a skill required in everyday activities.

Aboriginal Culture Day

The students had a great day learning about Aboriginal Culture, painting and playing didgeridoos and throwing boomerangs.

Worlds Biggest Classroom

Karningul School is part of the exhibit at Homebush. Our photos showing our Parkour skills are displayed.
